Experience

Summer 2026

Nature Camp, Vesuvius, VA - Assistant Director

Oversaw a staff of 22 counselors - developing and leading staff training, making the schedule, documenting and managing camper behavioral and mental, emotional, and social health incidents, supporting new staff to develop as instructors while designing and instructing an ecology course.

August 2024 - June 2026

FAMPO, Fredericksburg, VA - Transportation Planner/GIS Technician

My responsibilities include: data management at an organizational level, working in an esri environment to create maps and perform spatial analysis, writing plans and meeting minutes, coordinating with other transportation agencies, managing our bicycle and pedestrian counter program, and presenting to various committees, some of whose membership consists of locally elected officials, transportation planners, and citizen representatives.

January - June, 2024

FAMPO, Fredericksburg, VA - Transportation Planning Intern

Summer 2024

Nature Camp, Vesuvius, VA - Head Counselor

As a head counselor at Nature Camp, I supervised a staff of 8 and facilitated camper conflict resolution in addition to my other counselor responsibilities.

Summer 2022 - 2023

Nature Camp, Vesuvius, VA - Instructor and Bunkhouse Counselor

As an instructor and bunkhouse counselor at Nature Camp, I designed and instructed 10 week courses in Nature Journaling, Meteorology, and Geography adapted to multiple ages. I also coordinated recreation activities, including planning and leading day-long bushwhacking hikes through the George Washington National Forest.

November 2022 - January 2024

Simpson Library, University of Mary Washington - Student Assistant

November 2022 - January 2024

Concierge Services, University of Mary Washington - Desk Attendant

Spring 2022
